Welcome to the SuppoRTT Review Meeting Form

This meeting is to take place towards the end of the supervised period. The purpose of this meeting is to discuss the Trainee's prgress, review assessments, address any concerns, arrange any further targeted training.

Once the Trainee and Appropriate Educator/Supervisor* are both satisfied with the Trainee's progress the Trainee can be signed off to return to 'normal duties'.

Please note, you are able to pause your submission and come back to it later by selecting the 'finish later' option at the bottom of each page. This enables the form to be reviewed or completed by various people such as the Trainee and Appropriate Supervisor*. Once you have selected 'finish later' you will be provided with a screen which will provide a unique link for you to access your form and an option to email the link to access later.

It is the responsibility of the Educational Supervisor and Training Programme Director to disseminate the Trainees plan of return to all relevant educators/supervisors/medical education departments who will be responsible for the Trainee during their return.

If you have any queries regarding the SuppoRTT Programme please visit <u>SuppoRTT Webpage</u> or contact the SuppoRTT Team, <u>supportt.yh@hee.nhs.uk</u>

A supernumerary period is typically described as a short, intense period where the Trainee is considered as an additional member of staff to help them return to normal duties safely and confidently. During this time, it is expected that the Trainee will have no fixed work commitments enabling them to complete a programme of focused learning and clinical activities. The length of the supernumerary period and activities within it will be bespoke to the Trainee dependent on their needs.

This period could include, but not limited to, familiarisation of work environment, IT setup, shadowing a senior member of staff.
