

Foundation Training Job Description

Grade	FY2
Placement	Haematology / Oncology
Department	Haematology / Oncology
The type of work to expect and learning opportunities	<p>Airedale hospital provides level 2A service which includes provision of inpatient chemotherapy for haematology patients. Majority of treatment however is delivered as an outpatient with the Haematology / Oncology teams working closely with the Haemato-Oncology Day Unit (HODU) and the Acute Assessment Unit (AAU) where most of the out of hours acute admissions occur. The FY2 will be involved in daily management of Haematology inpatients under close supervision from the Consultants or Middle Grade / SpR doctor, participate in MDT ward rounds on Tuesday and Friday mornings and present / discuss clinical cases, when able.</p> <p>It would also be expected for the FY2 to assess new admissions from HODU and provide medical cover on the day unit, when required, with input from senior medical staff.</p>
Where the placement is based	Ward 19 / HODU
Educational and Clinical Supervisor(s) for the placement	Dr Emma Nga (Educational and Clinical Supervisor)

<p>Main duties of the placement</p>	<p>The Haematology/ Oncology FY2 will be based on Ward 19 providing care to all Haematology inpatients under all Consultants. This responsibility will be shared with another FY1 or FY2 doctor, supported by the Consultant or Middle Grade / SpR. Responsibilities include: Day to day care of all patients on the ward (admission, clerking and assessment, daily or more frequent clinical review if required, prescribing, requesting investigations and acting upon abnormal results in a timely manner).</p> <p>Provision of medical care to HODU patients if necessary, under supervision of the responsible Consultant or SpR.</p> <p>The FY2 would not be involved in intrathecal chemotherapy or to make decisions on patient treatment without input from senior medical staff.</p> <p>The FY2 would participate in discussion and clinical care of patients and if able, to present cases at MDT ward rounds. Discharge planning and e-discharge notifications.</p> <p>Maintain patient safety by abiding by the Medicines Code, Infection Prevention procedures and Medical Equipment/ Devices policy, mandatory training etc.</p> <p>The responsible FY2 would also provide review of sick patients of other medical teams on ward 19 inputting into their care.</p> <p>Clerking of new admissions and ward based duties as detailed above.</p> <p>On call responsibilities (nights and late shifts).</p>
<p>Typical working pattern in this placement</p>	<p>Full shift system with day shifts, evening and nights including midweek and weekend. Out of hours work is based on the Acute Assessment Unit (AAU)</p>
<p>Employer</p>	<p>Airedale Hospital NHS Foundation Trust Skipton Road Steeton West Yorkshire BD20 6TD</p>

It is important to note that this description is a typical example of your placement and may be subject to change.
