

Foundation Training Job Description

Grade	F1
Placement	Oncology and Palliative Care
Department	<p>Acute services are based at the main hospital, Bradford Royal Infirmary. Most outpatient services are based at St Luke's Hospital with 2 inpatient wards for elderly medicine and stroke/neurology rehabilitation.</p> <p>There are 25 Medical Foundation Year 1 trainees in Bradford Teaching Hospitals Foundation NHS Trust.</p> <p>5 x Consultants, 2 x SpR, 1 x Core Medical Trainee, 1 x GPST, 1 x FY2, 2 x FY1</p>
The type of work to expect and learning opportunities	<p>The generic skills Programme comprises 6 days (including 2 in shadowing) and is delivered in conjunction with trainees from Airedale, Calderdale & Huddersfield. There is mandatory protected Foundation Year 1 teaching each Wednesday lunch time which covers a broad range of medical/surgical topics.</p> <p>There is a general medical meeting each Tuesday lunchtime for all grades. Within each specialty there are a number of educational opportunities including clinical governance, MDT meetings and radiology meetings. All Foundation Year 1 undergo a day of simulation training through the year based on generic skills, recognition and management of the acutely unwell patient.</p> <p>You are encouraged to apply for a maximum of 3 taster days in different specialties. There is no additional allocated study leave for Foundation Year 1.</p>
Where the placement is based	<p>Oncology - Ward 15</p> <p>Palliative Care - Marie Curie Hospice</p>

<p>Main duties of the placement</p>	<p>Patient safety is a priority for all trainees. The posts include typical ward based activities such as general clerking duties, daily ward round with seniors, organisation of tests, communications with relatives and members of the MDT. In addition, for the banded posts there are rostered commitments to the Medical Admissions Unit where you will gain experience in acute medical problems under supervision. As a Foundation trainee, you will be a key member of the team, supported by your middle grade and consultant colleagues. You will have an important role in providing continuity of care to your patients.</p>
<p>Typical working pattern in this placement</p>	<p>All posts offer a ward based attachment.</p> <p>The regular hours of work are 08:00 – 17:00.</p> <p>For the banded posts, the normal hours of work are 09:00 – 17:00. In addition, there is a rostered attachment to MAU as follows: Within each 16 week period:</p> <ul style="list-style-type: none"> • 1 week Monday – Sunday 08:00 – 16:00 • 1 week Monday – Sunday 15:30 – 22:00 <p>In addition:</p> <ul style="list-style-type: none"> • 1 weekend (Saturday & Sunday) 08:00 – 20:30 covering the medical wards
<p>Employer</p>	<p>Bradford Teaching Hospitals NHS Foundation Trust</p>
