

We have some more courses coming up for the Paediatric Epilepsy Training PET 1,2 & 3, CHaT and NeoNATE courses.

The PET 1, 2 & 3 courses were revised and updated in September 2018. **The BPNA recommends that anyone who has a role in managing children's epilepsy should repeat these courses every 5 years.**

## **PET 1**

This is a one-day course, which will be delivered by Consultant Paediatric Neurologists, Consultant Paediatricians with expertise in epilepsy, and a specialist epilepsy nurse. The day will consist of short didactic teaching sessions and interactive workshops.

### **BPNA PET1 Courses**

PET1 Birmingham – Friday 15 February 2019

PET1 Bristol – Monday 25 February 2019

PET1 Norwich – Thursday 7 March 2019

PET1 Nottingham – Wednesday 13 March 2019

PET1 London North – Friday 22 March 2019

PET1 Liverpool – Friday 17 May 2019

PET1 Cambridge (part of PET week) – Monday 28 October 2019

**Book your place at:** <https://courses.bpna.org.uk/>

## **PET 2**

This course has been developed to improve practice within childhood epilepsies and is delivered by means of didactic teaching sessions and small workshops.

PET2 concentrates on general aspects of the epilepsies (history taking, differential diagnosis, investigation etc) and on epilepsies encountered in younger children.

**Please note, it is recommended that all those undertaking a PET2 course should have attended a PET1 course first.**

### **BPNA PET2 Courses**

PET2 Edinburgh – 28 February – 1 March 2019

PET2 Bristol – 27-28 March 2019

PET2 Sheffield – 9-10 May 2019

PET2 Southampton – 27-28 June 2019

PET2 Liverpool – 12-13 September 2019

PET2 Cambridge (part of PET week) – 29-30 October 2019

**Book your place at:** <https://courses.bpna.org.uk/>

## **PET 3**

PET3 focuses on epilepsies presenting in older children and adolescents and transition to adult services. (PET2 focuses on epilepsy in infants and younger children).

It is recommended that paediatric trainees and consultants attend PET2 and PET3.

There is no requirement for adult neurology trainees and consultants to attend PET2, although you are very welcome.

### **BPNA PET3 Courses**

PET3 Edinburgh – 28 February – 1 March 2019

PET3 Bristol – 27-28 March 2019

PET3 Sheffield – 9-10 May 2019

PET3 Southampton – 27-28 June 2019

PET3 Liverpool – 12-13 September 2019

PET3 Cambridge (part of PET week) – 31 October – 1 November 2019

**Book your place at:** <https://courses.bpna.org.uk/>

Children's Headache Training level 1 (CHaT1) has been designed to improve knowledge and skills amongst health professionals who care for children and young people with headache.

**BPNA CHaT Course**
