£300 Deposit Refundable up to 7 days prior. Payable by cheque on application to
Calderdale and Huddersfield NHS Foundation Trust***

Refreshments and Lunch provided

You will encounter **clinical cases** with emphasis on Neurology, Cardiology, Respiratory, and
Gastroenterology

You will practice communication skills at four stations

- This is a two day intensive course - adopting a practical skills based course in a MOCK exam and teaching format on each clinical case to prepare for MRCP PACES exam with emphasis on a small group (2 trainees) teaching and one to one feedback in all clinical stations. However, there is plenty of time for feedback with a personal mentor at the end of the session.
- This course will help you with quick revision before the exam as a confidence booster. The course is led by experienced PACES examiners, consultants and senior ST's from different specialities.
- There will be an interactive session at the end to help you and give some valuable tips.

Course Co-ordinators: Dr Rangaprasad Karadi, CMT Deputy TPD (Calderdale and Huddersfield), Dr Safirul Haque, CMT Training Programme Director (Calderdale and Huddersfield).
