- Evidence of involvement in management commensurate with experience
- Demonstrates an understanding of NHS management and resources
- Evidence of effective multidisciplinary team working and leadership, supported by multisource feedback or other workplace-based assessments
- Evidence of effective leadership in and outside medicine.

IT skills:

• Demonstrates information technology skills.

Other:

- Evidence of achievement outside medicine
- Evidence of altruistic behaviour, eg voluntary work
- Evidence of organisational skills

 not necessarily in medicine,
 e.g. grant or bursary applications,
 organisation of a university club,
 sports section, etc.

Application form, interview/selection centre, references

SHEFFIELD TEACHING HOSPITALS NHS TRUST

appreciation of change in working practice

some knowledge of the opportunities and threats to a career in interventional

i.e. a 'service' specialty

radiology

Capacity to prioritise own workload and organise ward rounds Evidence of thoroughness (is well-prepared, shows self-discipline/commitment. Vigilance and situational awareness: Capacity to monitor developing situations and anticipate issues. Coping with pressure and managing uncertainty: Capacity to operate under pressure Demonstrates initiative and resilience to cope with changing circumstances Is able to deliver good clinical care in the face of uncertainty Values: Understands, respects and demonstrates the values of the NHS Constitution viii (e.g. everyone counts; improving lives; commitment to quality of care; respect and dignity; working together for patients; compassion) Probity - professional integrity Demonstrates probity (displays honesty, Application form, integrity, aware of ethical dilemmas, respects interview/selection centre, confidentiality) references Capacity to take responsibility for own actions. Commitment to specialty - learning and personal development Application form, Shows initiative/drive/enthusiasm (self-Other interview/selection centre. activities/achievements starter, motivated, shows curiosity, references relevant to radiology initiative) Attendance at interventional Demonstrable interest in, and understanding radiological courses or meetings of, the specialty Evidence of participation in audit Commitment to personal and or research projects with professional development specific relevance to radiology Evidence of attendance at organised teaching and training programme(s) Evidence of self-reflective practice Commitment to a career in Interventional Radiology - for example through being able to demonstrate some of the following: an understanding of the use of modern IR techniques in current clinical practice an understanding of the role of a consultant interventional radiologist in the modern NHS, including the impact of NHS targets an understanding of the structure of IR/INR sub-specialty training and potential careers in IR/INR in the UK

SHEFFIELD TEACHING HOSPITALS NHS TRUST

- ¹ 'When evaluated' is indicative, but may be carried out at any time throughout the selection process.
- ⁱⁱ The GMC introduced the licence to practise in 2009. Any doctor wishing to practise in the UK after this date must be both registered with and hold a licence to practise from the GMC at time of appointment.
- iii 'Intended start date' refers to the date at which the post commences, not (necessarily) the time an offer is accepted.
- ^{iv} 'Selection centre' refers to a process, not a place. It involves a number of selection activities which may be delivered within the unit of application.
- ^v Applicants are advised to visit the GMC website which gives details of evidence accepted for registration
- vi Any time periods specified in this person specification refer to full-time-equivalent.
- vii Applications will only be considered if applicants provide a Support for Reapplication to a Specialty Training Programme form, signed by both the Training Programme Director/Head of School and the Postgraduate Dean in the LETB/Deanery that the training took place. Extraordinary circumstances may be defined as a demonstrated change in circumstances, which can be shown on the ability to train at that time and may include severe personal illness or family caring responsibility incompatible with continuing to train. Completed forms must be submitted at the time of application. No other evidence will be accepted
- viii The NHS Constitution the NHS belongs to us all 26 March, 2013
