Appraisal Course: A positive learning experience

Date: Friday 12 April 2019
Time: 12.30pm-4.30pm (**Half Day Course**)
Venue: Room 6, R Floor, Royal Hallamshire Hospital
Sheffield, S10 2JF

Appraisals can appear as a mere tick box exercise without much benefit. However with some organisation and commitment it can become a time management tool. You can use your appraisal to work effectively and to be more productive. This will be a very practical course to help you to prepare for appraisal and advise you what evidence is relevant for submission. Hopefully this course will help you to achieve a high quality strengthened appraisal.

Facilitator: **Avneesh Kumar SAS Tutor**
Sheffield Teaching Hospital NHS Foundation Trust
