I have been a consultant vascular surgeon in Bradford for 26 years and throughout that time I have done all I can to provide an excellent learning environment for trainees, undergraduate doctors and healthcare learners.

I have held local educational roles including Director of Education in Bradford and led the development of the Field House Education Centre and Sovereign lecture theatre. Within Yorkshire and the Humber I have been a Foundation School Director, Head of School, Deputy Dean and Postgraduate Dean.

I strongly believe that all learners should receive the support, advice and resources to fulfil their potential and serve patients to the best of their ability. Guiding and supporting trainees who take time out of training for any reason has not been done well in the past and I am committed to putting that right.
