19:30 - 20:15 - Death Certification

Presented by Dr Sarah Millette, ST7 in Geriatric Medicine. Previous Clinical Fellow for Supported Return to Training in Thames Valley. Twice returned to training and lived to tell the tale.

Facilitated by Dr Lizzy Townshend, Clinical Fellow for Health Education England's Supported Return to Training (SuppoRTT) program; Dr Aimee Manicom, Clinical Fellow for Quality improvement at Health Education England (Thames Valley), and Ann Heath, SuppoRTT Manager for HEE Thames Valley.

You will be sent a link to join the event (on Zoom) by email nearer the time. Please feel free to listen along in noisy environments as questions and answers are typed in.

Please note that registration will close one hour before the session starts.

Free and funded with thanks by Health Education England, working across Thames Valley.
