

Course Aims and Objectives

DFT Finance Part 2 04APR25

1.5 CPD Hours

Development Outcomes: B & D.

Aims:

- To make all FDs aware of the wider finance aspects, that affect you most at this life-stage and are particular to dentistry too.

Objectives:

- To update current knowledge, inform any gaps and make financially literate for this stage professionally, as many transition from employed to self-employed contracts.

Learning Outcomes:

- Participants will be updated about the latest financial laws and accountancy services, to self-manage and plan ahead, efficiently.
