

Course Aims and Objectives

DFT Finance Part 3 20JUN25

1.5 CPD Hours

Development Outcomes: B & D.

Aims:

- To make all FDs aware of current and future finance aspects, that affect you most at this life-stage and are particular to dentistry too.

Objectives:

- To broaden detailed financial instrument options & knowledge, from associate contracts to home or practice purchases, avoiding some common errors too.

Learning Outcomes:

- Participants will be updated about the latest financial instruments and obtaining independent, qualified advice, for current and future professional needs.
