

SuppoRTT Champion

Harrogate and District NHS Foundation Trust

Ip Scarrott

Ipshita.Scarrott@nhs.net

I am a geriatrician working at Harrogate and District NHS Foundation Trust and the SuppoRTT champion for the trust.

I have a strong interest in supporting trainees return to work, through my role as an educational supervisor and through my own experience during my training when I returned from maternity leave as a LTFT trainee.

Recognising the challenges of returning, I know how important it is to get the process of returning to work standardised for all trainees, across all specialities, to ensure a smooth transition back to work. This in turn helps the wellbeing of staff and patient safety.

Having strong links within the education department at Harrogate, I am able to promote the SuppoRTT process, helping trainees and supervisors to reach their goals. I can be contacted via email, or via the medical education department at Harrogate for queries and would be happy to meet up if needed.
