Welcome to a HEYH School of Paediatrics newsletter. Please contact the team if you have news to share or want to contribute.

We hope everyone had a good Christmas, especially the many of us who were working over the festive period. As we look forward to the New Year, The School of Paediatrics wants to focus on improving trainee feedback across the region.

The Newsletter will be updated on a monthly basis and aims to highlight news and events from across the region and country.

Feedback

We want to improve this and are encouraging trainers across the region to focus on this practice over the next year.

Results:

Paediatrics	Feedback (0-100% based on positivity)	Neonatal	Feedback (0-100% based on positivity)
Airedale NHS Foundation Trust	42.71	Bradford Teaching Hospitals NHS Foundation Trust	73.33
Barnsley Hospital NHS Foundation Trust	76.85	Sheffield Teaching Hospitals NHS Foundation Trust	67.22
Bradford Teaching Hospitals NHS Foundation Trust	81.41	Leeds Teaching Hospitals NHS Trust	71.21

Sheffield Children's NHS Foundation Trust	62.27		
The Rotherham NHS Foundation Trust	74.07		
York Teaching Hospital NHS Foundation Trust	69.27		

Trainees in Leeds/Hull have investigated this locally and suggestions for change were:

1. Trainees would like more feedback after ward rounds or clinics
2. Feedback made trainees feel valued and gave them a guide to know how they are doing
3. Regular time for feedback- consider drop in sessions.
