

CONTINUING PROFESSIONAL DEVELOPMENT IN EDUCATIONAL SKILLS

Foundation year doctors are essential in educating our students. To support teaching and assessment skills, we offer free CPD activities for all with an interest in education.

We offer CPD:

- To develop your teaching
- To enhance your teaching
- For assessment skills (OSCEs and MCQs)
- For pastoral skills

This year, our sessions are online. A full list of resources including the full programme of events can be accessed from [the website](#) and our [Eventbrite page](#)

Resources and full programme available on our padlet
<https://padlet.com/mededcpd/LIMECPDupdate>

- You can volunteer to teach and belong to a mailing list which sends out opportunities <https://cutt.ly/VolunteerTeachMed>
- You can join the Clinical Education Network – educational research and scholarship. Steering group would like FY representation, email medcenet@leeds.ac.uk
- You can be mentored in your teaching responsibilities, email C.Dennis@leeds.ac.uk
