Welcome to HEYH School of Paediatrics newsletter. Please contact the team if you have news to share or want to contribute.

The News letter will be updated on a monthly basis and aims to highlight news and events from across the region and country.

Identifying experiences, attitudes and practices around limitation of treatment agreement (LOTA) decisions among paediatric professionals in the Yorkshire and Humber region

We are keen to know about the opinions of paediatric health professionals on Limitation of treatment agreement (LOTA) and end of life care discussions. We would be grateful if you could complete this short and anonymous survey which will take about 15 minutes of your time. Details about the survey are included in the attached patient information sheet. The project has undergone School of Medicine Research Ethics Committee review, reference MREC 18-026 and was approved on 6th March 2019.

Here is the link to access the survey:

<https://www.surveymonkey.com/r/LOTA-Survey-2019>

If you have previously filled out this survey or you are not a paediatric health professional in Yorkshire region, please disregard this email.

Feel free to contact if you have any questions about the project.

Kind Regards,

Dr Muhammad Ali

Post CCT Fellow Paediatrics, West Yorkshire
