Paediatric Transition to Leadership course

Transition to Leadership is a free course to help prepare paediatric SHOs who are transitioning to a Registrar position in 2020. This well-established course ran annually for several years face-to-face, and due to Covid-19, has been adapted to run ONLINE for this year.

The course is organised by the London School of Paediatrics - this year they are offering the opportunity to all transitioning SHOs across the UK, to join our virtual course.
