## School of Paediatrics 10th Annual Meeting - 2019

A fantastic conference organised by trainees for trainees. This year's theme is Unsung Heroes of Paediatrics. This is also a fantastic opportunity to submit work and abstracts are currently being accepted.

13th November 2019 Harrogate

Registration still open, but closes on 30th October.

## Improving Retention in Paediatrics

RCPCP President, Professor Vine talks about the challenges of a career in paediatrics. Recruitment is being improved but retention is also needed.

The RCPCP website also has resources for helping trainees and consultants of all levels to thrive in paediatrics and can be found [here](#). It may be titled survive and thrive but lets focus on the positives in this newsletter!

## GMC: Reflective Practice

The GMC has produced some self learning training on reflective practice and is a great resource so please check it out.

---

## Enhancing Supervision in Training

Please see these resources for trainers and trainees to optimise training.

---
