# Other Differences in Canada

Talking: Doreen Yee

- Drug names !!!
- NO European Working Time Directive
- ? we work harder ☹️
- Minimum holidays for Canadian workers: 10 days
- Statutory (bank) holidays: 11 days/year, usually Mondays  
(no lieu days if on call!)
- Lunch breaks – may not be routinely given
- Anesthesia assistants (AA's), but not in every OR/theatre!

Physicians, surgeons and medical students are not entitled to:

- minimum wage
- hours of work
- daily rest periods
- time off between shifts
- weekly/bi-weekly rest periods
- eating periods
- overtime
- personal emergency leave if taking the leave would be professional misconduct or abandoning your duty
- public holidays
- vacation with pay

DISPOSE OF SHARPS  
PROPERLY AFTER  
EVERY CASE.  
☺

Hand hygiene and glove storage station.

**Top Section:** Three boxes of NITRILE EXAM GLOVES (purple, blue, and pink) are visible. A blue glove is hanging from the top.

**Middle Section:** A row of four clear plastic bins containing various medical supplies, including syringes and needles.

**Bottom Section:** A row of four clear plastic bins containing various medical supplies, including syringes and needles.

**Right Side:** A "PRACTICE ALERT NOTICE" poster with a "WCH" logo.

Medical cart with various supplies.

**Top Tray:** Contains a bottle of hand sanitizer, a box of gloves, a pair of red scissors, and other medical supplies.

**Bottom Tray:** Contains a box of gloves, a pair of red scissors, and other medical supplies.

**Right Side:** A "WARNING" label on the side of the cart.
