I am a Consultant paediatrician with an interest in neonates working in the Trust. I have previously been a College Tutor and am a Clinical Supervisor and Educational Supervisor. While supervising trainees I have seen how the right support can help trainees experiencing difficulties.

I applied for this current role as Champion SuppoRTT lead as I wanted to improve the experience of all trainees who take time off for various reasons who return to work no matter what discipline they are in.

I have an established relationship with the Postgraduate Medical Education Department and with the rota coordinators and Human Resources we aim to change the way trainees get back into training within our Trust.
