

PAFTA 2018

This is the annual regional awards to celebrate our Yorkshire Paediatric trainees who go above and beyond the call of duty!

These awards were introduced to recognise and celebrate those **unsung heroes** amongst us – those who we think an ARCP Outcome 1/little thank you card *just isn't enough* to represent how awesome they are!

Please nominate your colleagues and supervisors in the categories below:

Categories for nomination*:

Junior trainee Unsung hero (ST1-3)

Senior trainee Unsung hero (ST4-8+)

Best Educational Supervisor (Consultant)

*(If transitioning between ST levels, please indicate on form which category you would like the trainee to be nominated for!)

All nominees will get a certificate and the winners will be presented with the awards at the 9th Annual School Meeting in November 2018. Winners will then be nominated for the National PAFTAs, which will be announced at the RCPCH National Conference 2019.

NOMINATIONS ARE OPEN NOW!
