

# **Central Venous Catheter Insertion Course**

**Scunthorpe General Hospital, Northern  
Lincolnshire & Goole NHS Trust**

11 January 2021

## **Introduction**

Welcome to the SGH Central Venous Catheter insertion course!

This course has been put together by current anaesthetic trainees and consultants, and aims to teach you the basics surrounding CVC insertion, with some hands on practice.

Today will be a mixture of interactive lectures and practical exposure to CVC insertion.

We hope that you find today useful and enjoyable!

## **Course programme**

0830 – 0900: Registration and coffee

0900 – 0945: Indications, contraindications, complications

0945 – 1000: Coffee break

1000 – 1030: Anatomy, site of insertion

1030 – 1100: Demonstration of CVC insertion

1100 – 1130: Coffee break
