

Psychiatry Update

Afternoon

21st October 2020
(via Microsoft Teams)

Programme includes:
Teaching on Psychiatric disorders,
including Child and Adult
Pharmacy Updates (including Covid-
19 updates)

This session is aimed at all trainees in the
Yorkshire and Humber region, whilst it is
expected to especially appeal to psychiatry
trainees, it is felt it will be useful for all
doctors that encounter patients with
psychiatry disorders.

To book a place please contact
