

# ICM REGIONAL TEACHING DAY

## ORGAN DONATION

### CASTLE HILL HOSPITAL, HULL, HU16 5JQ

#### Agenda for day:

*0915-0930: Registration*

*Morning sessions (0930-1215)*

- Role of SNOD and CLOD, referral process, recent legislation changes, current campaigns
- DBD vs DCD
- Donor family and recipient stories

*1230-1300: Lunch (packed lunches will be provided)*

*Afternoon sessions (1300-1545) – simulation and OSCE stations*

- Brainstem death testing and ancillary tests
- Withdrawal of life sustaining treatment and DCD including lung retrieval
- Family discussions (including use of actor)

*1545-1600: Close*

Due to this being an in person teaching event and the ongoing need for social distancing numbers will be limited and booking is required. Please book using the link below:

<https://forms.gle/rRHH1SycgszGHvko6>

Please note there will be 5-10mins walking between available rooms

Unfortunately we are unable to offer live streaming. However the sessions will be filmed and available at a later date
