

**4-5th May 2020
& 28-29th September 2020**

**Scarborough Postgraduate Centre
Scarborough Hospital, YO126QL**

This is *the* course for Senior Trainees (ST5-8) approaching Consultant appointments. Based on the success of our previous courses, we have expanded this course to a two-day residential event.

The free-to-attend* course is delivered by an experienced and enthusiastic faculty and includes complimentary accommodation and the Scarborough Spring or Autumn Leadership Dinner.

This is your chance to meet the people who run a Foundation Trust; hear from Executives, Directors, and Clinical leaders talking about how the NHS operates and what they look for in a new Consultant.

Brief course outline:

- NHS Structures; NHS England, NHS Improvement, CCGs, Networks, CQC, and how they all interact
- Finance in the NHS
- The Consultant Job – planning a great career
- Identifying and securing your dream job
- Mock Consultant interview and assessment centres

Feedback from previous attendees:

“A must for any senior trainee nearing the end of training. A real eye opener to certain aspects of consultant work/life. Really helped to improve my approach to job seeking.”

“The best course I have ever been on by a large margin, absolutely awesome”

“Excellent , honest answers and finally some insight into money matters.”

“Excellent course. Very informative, led by passionate faculty. I would recommend it to anyone approaching end of training”
