

Teach the Teacher

Day 2 of 2

09.30 – 16.30 Hours

Friday, 31st January 2020

Venue:

The Boardroom, The Hub, Bassetlaw Hospital

Who this is for: SAS doctors

- Build knowledge around key teaching theories and models
- Build skills in key areas of teaching including design of programmes & presentation
- Be able to apply these skills to delegates' own local teaching initiatives

CPD approval: This programme is subject to 6 CPD points

About the trainer: Mr Graham Knight – Res Senior Associate Business Consultant, marketer and trainer with more than 15 years' industry experience in healthcare, media and FMCG. Graham has a track-record for delivering successful outcomes and positive change. In the past he has worked with NHS commissioning and provider organisations, local authorities, GP and dental practices, networks, universities, GP Federations, multinational retail and business to business organisations, independent healthcare providers and media production houses. He has a special interest in health and social care recently leading new service development projects that focus on delivering quality and productivity through integration and new models of care. He is also a skilled trainer, having worked with universities and NHS postgraduate education centres to design and deliver MBA-level courses on medical management topics, including: ethics, project management, leadership, negotiation, reflective practice and avoidable adverse outcomes. His training programmes are designed to deliver real-life outcomes and change in the working styles of the professional groups that attend.
