

Dear Doctors and Dentists in Training, and Public Health Registrars

Survey of trainee concerns

Our webinar team are keen to learn more about your concerns and issues that may be affecting your experience of training during this third lockdown. Please could you complete this short survey to help us to gain insight into what is on your mind at this time and/or what questions you would like us to answer.

As always, this feedback will be kept anonymous. **The survey closes on Wednesday 13th January at 10am.**
